Re: *Hy-Cite Corporation v. Regal Ware, Inc. and SaladMaster, Inc.*
Case No.: 10-CV-168

Dear Judge Conley:

On August 30, 2010, Sentry Insurance a Mutual Company ("Sentry") filed a Motion to Intervene in this action. Sentry's motion has gone unopposed. As a result, Sentry kindly asks the Court to consider entering an order granting Sentry's Motion to Intervene. Sentry will gladly prepare a proposed order at the Court's request.

In the event the Court enters an order granting Sentry's Motion to Intervene, Sentry respectfully requests that the enclosed Complaint for Declaratory Relief be filed and deemed served on the date the order is entered.

Thank you for the Court's consideration. Please feel free to contact me if you have any questions or concerns.

Very truly yours,

von BRIESEN & ROPER, s.c.
